

## Tired Of Shallow Kitchen Sinks?

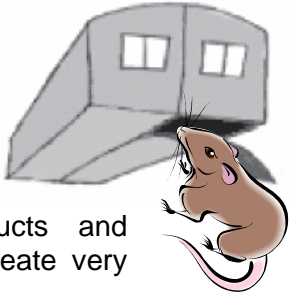

Upgrade to a beautiful high-quality 8-inch deep stainless steel kitchen sink. These

are designed to meet the special size requirements of manufactured homes. We also have a **variety of faucets in stock** made to fit.

## Protect Your Home From Rodents

Make sure the underside of your home is protected from pests such as rodents. They can damage insulation, plumbing, electrical, heating ducts and flooring, as well as create very unsanitary conditions.

## Quality Bathroom Fixtures

We have a **nice** variety of sizes and designs of tubs, showers, and faucets. We stock **pipe, fittings, drains, and parts** for repair or modification. Our staff can provide you with **installation** advice, or refer you to a licensed professional contractor.

## Windows & Replacement Screens

Eliminate drafty windows and replace them with our **quality** vinyl windows and sliding glass doors. They come with thermal pane glass

and Low-E specifications, and with matching screens. Replacement screens for existing windows are available in white, bronze, or gray (mill finish). And, we are **happy** to provide installation advice or help you find an installer.

## Energy-Efficient Storm Doors

During the breezy, rainy weather, it is always nice to have a storm door for an extra weather barrier and **comfort**. And, during the warmer weather it can be easily opened for increased ventilation.

Each storm door comes with a durable white enamel finish. All necessary hardware is included. And, many sizes are available.

## Is It Time For New Skirting?

We feature two types of skirting. The first is **Vari-form** vinyl skirting. It features a natural wood appearance, unique pop-up rail and panel lock design, and is available in six attractive colors. It is very durable and easy to maintain.

If you want skirting with a "stucco" look, we offer an excellent composite material. You can cut it to size specifications, and it can be painted to suit personal preference. Durable plastic vents with metal screening are also available.

## We Have Parts That Fit!

Manufactured homes require special sizes. Let our friendly, professional staff help you find the right part!

## We Pay Cash for Used Axles & Tires!

Let us purchase and pick up your used mobile home axles and tires, and get some EXTRA cash soon!

*And, we'll meet or beat any competitor's pricing.*

## Custom Aluminum Awnings

Considering a **beautiful** awning to cover your patio, porch, deck, or driveway? Stay dry during rainy fall and winter weather. And, we will be happy to assist you in finding a qualified professional installation contractor.

### *Quality Products and Excellent Customer Service!*

At Mobile Home Parts Northwest, we won't settle for anything less than superior service. We are **dedicated** to making sure your experience with us is one that is fair, honest, and completely satisfying. We sell a **quality** product with personal service at a fair price. We **value** your ongoing patronage and want to make sure you will return so we may serve you for years to come. And, as always your feedback is appreciated and taken seriously!
