Our Extensive Retail Store Is Here to Serve You

Our store features a **wide** selection of replacement, upgrade, and repair parts - All designed to meet the special manufactured home size, space, and weight requirements. And, if we don't have the part you need, we'll do our best to help you find a solution. We carry the following and much, much more:

- ❖ Vinyl Windows and Sliding Glass Doors
- ❖ Custom Awnings, Carports, Patio Covers
- ❖ Sinks, Faucets, Bathtubs, and Surrounds
- ❖ Plumbing, Heating, and Electrical Parts
- ❖ Setup Materials - Piers, Stands, Wood
- ❖ Visqueen, Rodent Barrier, Adhesives

Windows & Replacement Screens

Our vinyl windows and sliding glass doors feature thermal pane glass and matching screens.

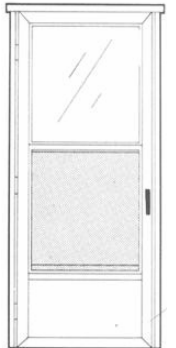

If you need replacement screens for existing windows, we can order any size in white, bronze, or gray (mill finish). And, we are **always** happy to provide installation advice or find you expert professional help.

Energy-Efficient Storm Doors

During the breezy, rainy spring months, it is always nice to have a storm door for an extra weather barrier and **comfort**. And, once the summer weather comes it can be opened for ventilation.

Each storm door comes with a durable white enamel finish. All necessary hardware is included. Many sizes are available.

How About Some New Skirting?

We feature two types of skirting. The first is **VariForm** vinyl skirting. It features a natural wood appearance, unique pop-up rail and panel lock design, and is available in six attractive colors. It is durable and easy to maintain.

The second type of material frequently used for skirting is a composite material, which comes with a stucco texture. This versatile material can be cut to size and painted to suit tastes. We also have vents for use with this material.

Custom Aluminum Awnings

How about a beautiful awning to cover your patio, porch, deck, or driveway. Stay dry during rainy weather. Our custom awnings are packaged to meet your needs. And, we can refer you to a professional installation contractor.

Rodents Can Harm Your Home

Make sure the underside of your home is protected from rodents and pests. They can damage or destroy insulation, plumbing, electrical, heat ducts and flooring, as well as create unsanitary conditions.
