Summer 2007 Newsletter

As we celebrate another year of liberty in this great nation, **we give thanks** to all of those who have sacrificed much so that we may enjoy the freedoms we have!

At Mobile Home Parts Northwest, we do our best to take our business seriously. We are **dedicated** to making sure your experience with us is one that is fair, honest,

and satisfying.

We sell a **quality** product at a fair price. Our staff is continuously trained in superior customer service and will help you determine the best approach to your repair or upgrade project. When you leave our store, we want you to **always** feel we have served you well and we hope you will return so we may serve you again!

Quality Vinyl Windows & Replacement Screens

Our **high-quality vinyl windows** and sliding glass doors look great and are energy efficient as well.

Each window or door **comes with** thermal pane glass and includes screens. If you need **replacement screens** for existing windows, we can order **any size** replacement screen in white, bronze, or gray (mill finish).

Call our friendly staff for more details. If you'd rather have someone install your windows, we can refer you to a licensed professional contractor.

Our Parts Meet Manufactured Home Specifications

Beautiful Solid Wood Screen Door Kits Available

We are **happy** to announce that for a limited time we have a supply of attractive solid pine screen door kits. Door components are made of **1" thick, kiln-dried finger-joined pine** and ready to finish with paint or stain. Screw holes are pre-drilled for easy assembly.

Assembly hardware, flush plugs, and screen are included. We are **passing the savings** from our special purchase **on to you**. Most folks can **easily assemble** the kit in about 1/2 hour. We are also including a packet with hinges, door handle, and spring closure.

You can stain, paint, or varnish these **quality** doors to suit your tastes. Each kit comes with basic written assembly instructions or we can arrange installation in the greater Mount Vernon area for an additional charge through **Fred Hunt Contracting**.

How About Some New Skirting?

Our **Variform** vinyl skirting is available in a **variety of colors and sizes**. It has a natural wood appearance, and is very durable and easy to maintain.

Our **Hardie** composite skirting is another great buy. It comes with a smooth **or** stucco texture, and retains paint 3 to 4 times longer than wood. It's approved for use both above and below grade. Moisture won't rot it **and** it is resistant to fire.
